

Tuition Assistance Program

What is the Tuition Assistance Program?

We believe every student who wants to sing deserves the chance to do so.

Performance High is committed to making exceptional voice instruction available to everyone, regardless of financial circumstances. Our Tuition Assistance Program (TAP) provides partial tuition discounts to students who demonstrate financial need. If the cost of lessons has been a barrier for you, we encourage you to apply.

What does the program offer?

TAP awards a partial discount (up to 50%) on tuition for a defined period of 3 to 6 months. At the end of the award period, you are welcome to reapply.

How to Apply

1. Complete the application form at the link below. Printed copies of the form are available upon request.
2. We'll be in touch. Applications are reviewed by our selection committee. Please allow up to 4 weeks for a decision, though you will likely hear back much sooner. All applications are treated with complete confidentiality.

Frequently Asked Questions

Q: Who can apply?

A: Any current or prospective Performance High student who demonstrates financial need is welcome to apply. There is no income threshold. We consider everyone's circumstances individually.

Q: How much assistance can I receive?

A: TAP awards are partial. We offer discounts of up to 50% of tuition. The exact amount is determined by our review committee based on need and program availability.

Q: How long does assistance last?

A: Awards are granted for a period of 3 to 6 months. When your award period ends, you are warmly encouraged to reapply. There is no limit on how many times you may apply.

Q: Is my application kept private?

A: Yes. All applications and supporting information are reviewed confidentially by a small internal committee and are not shared outside of that process.

Q: I already receive a multi-month discount. Can I also apply for TAP?

A: TAP discounts and commitment or promotional discounts cannot be applied at the same time. If you currently receive another discount, please reach out and we can help you think through the best option for you.

Q: What if my financial situation changes after I receive an award?

A: We ask that recipients let us know promptly if their financial circumstances improve significantly. This helps us extend support to others who may be waiting.
